

Compu-Play

Kindergarten Camp

Summer 2010

Welcome to Grace Christian Academy. We are looking forward to having your child in computer classes this fall. This summer we are offering two sessions of Compu-Play to help your child get ready for kindergarten. They will learn their way around the computer lab and become familiar with the software that will be used. This will give the students a strong start while gaining confidence to begin this special area class in the fall.
